Claim Rejections - 35 USC § 101

1. Claim(s) 6-8 and 10-12 are rejected under 35 U.S.C. 101 as not falling within one of the four statutory categories of invention. While the claims recite a series of steps or acts to be performed, a statutory “process” under 35 U.S.C. 101 must (1) be tied to another statutory category (such as a particular apparatus), or (2) transform underlying subject matter (such as an article or material) to a different state or thing (Reference the May 15, 2008 memorandum issued by Deputy Commissioner for Patent Examining Policy, John J. Love, titled “Clarification of ‘Processes’ under 35 U.S.C. 101”). The instant claims 6-8 and 10-12 neither transform underlying subject matter nor positively tie to another statutory category that accomplishes the claimed method steps, and therefore do not qualify as a statutory process.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 6-8, 10-12, 19-21, and 23-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 6 is ambiguous. It is unclear as to which element, "sole-access element" or "non-sole access element", the "said at least one element" in line 16 is referring to? The same remark applies to claim 10 and 19. The same remark applies to claim 23.

Claim 6 recites the limitation “the set of all non-sole access links” in line 17. There is insufficient antecedent basis for this limitation in the claim. The same remark applies to claim 10. The same remark applies to claim 23.

Claim 6 is ambiguous. It is unclear as to which connection, the “said connection” is referring to? The same remark applies to claim 19.

Allowable subject matter

3. Claims 7-8 and 11-12 would be allowable if claims 6 and 10 rewritten or amended to overcome the rejection(s) under 35 U.S.C. 101, and 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

4. Claims 7-8 and 11-12 would be allowable if claims 6 and 10 rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
